6. Dog Park/ Valley View Tower
7. Services

**A Village Life** is envisioned as a soulful retreat where the everyday simplicity of rural India meets the refined elegance of modern design. The project draws inspiration from the organic geometry of farmlands, the fluidity of mud paths, and the social warmth of village courtyards. Spaces are crafted to evoke nostalgia while offering comfort — where **earthen materials meet contemporary craftsmanship**, **community spaces meet privacy**, and **native ecology meets curated landscapes**.

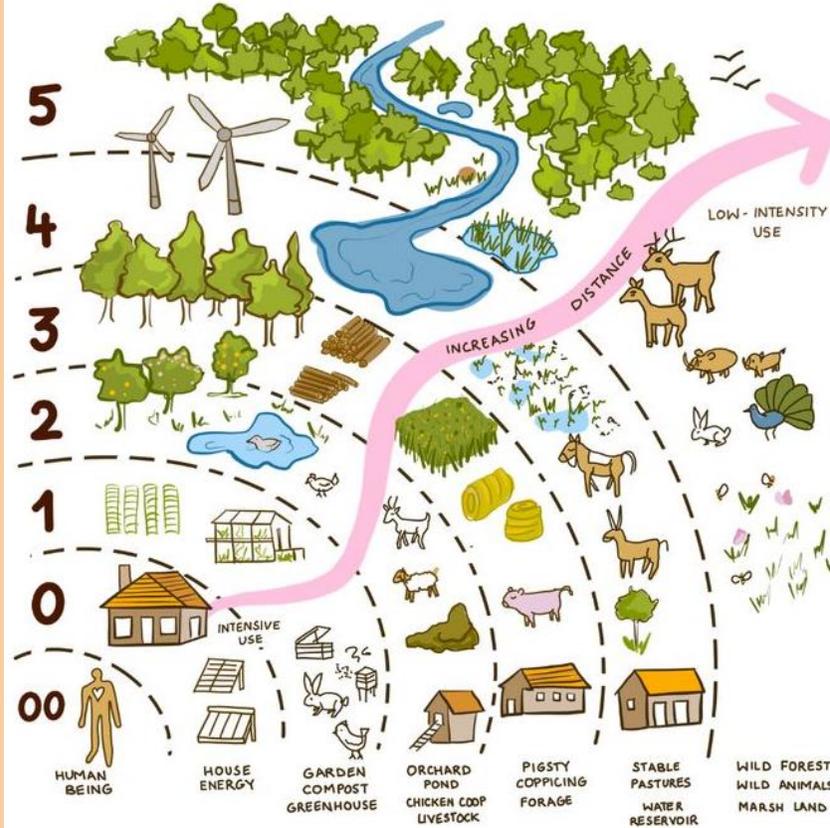

# SENSORY GARDEN

## 12 WAYS

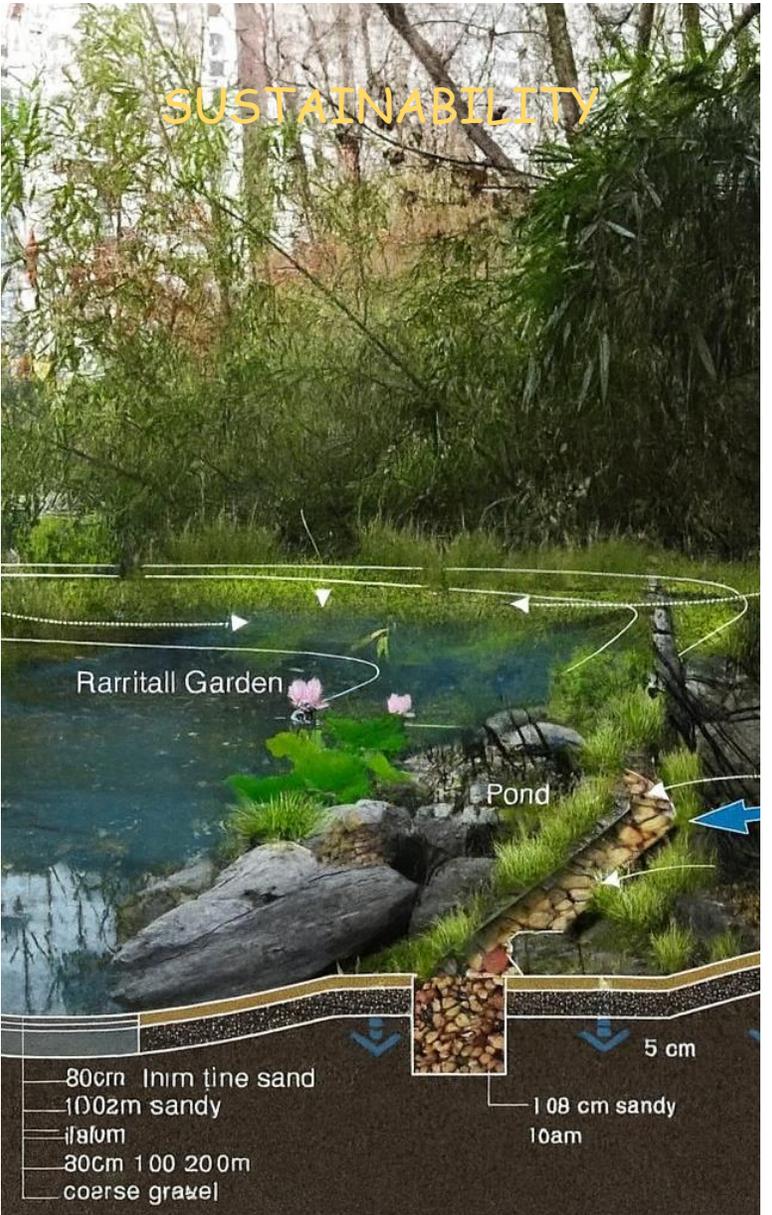

- Water features
- Scented Flowers
- Stepping Stones
- Plants in Patio
- Corten Steel
- Pathways or curved beds
- Roses
- Texture Plants
- Garden Furnitures
- Mirrors & Lighting
- Green
- Colorfull Flowers

# PERMACULTURE ZONES

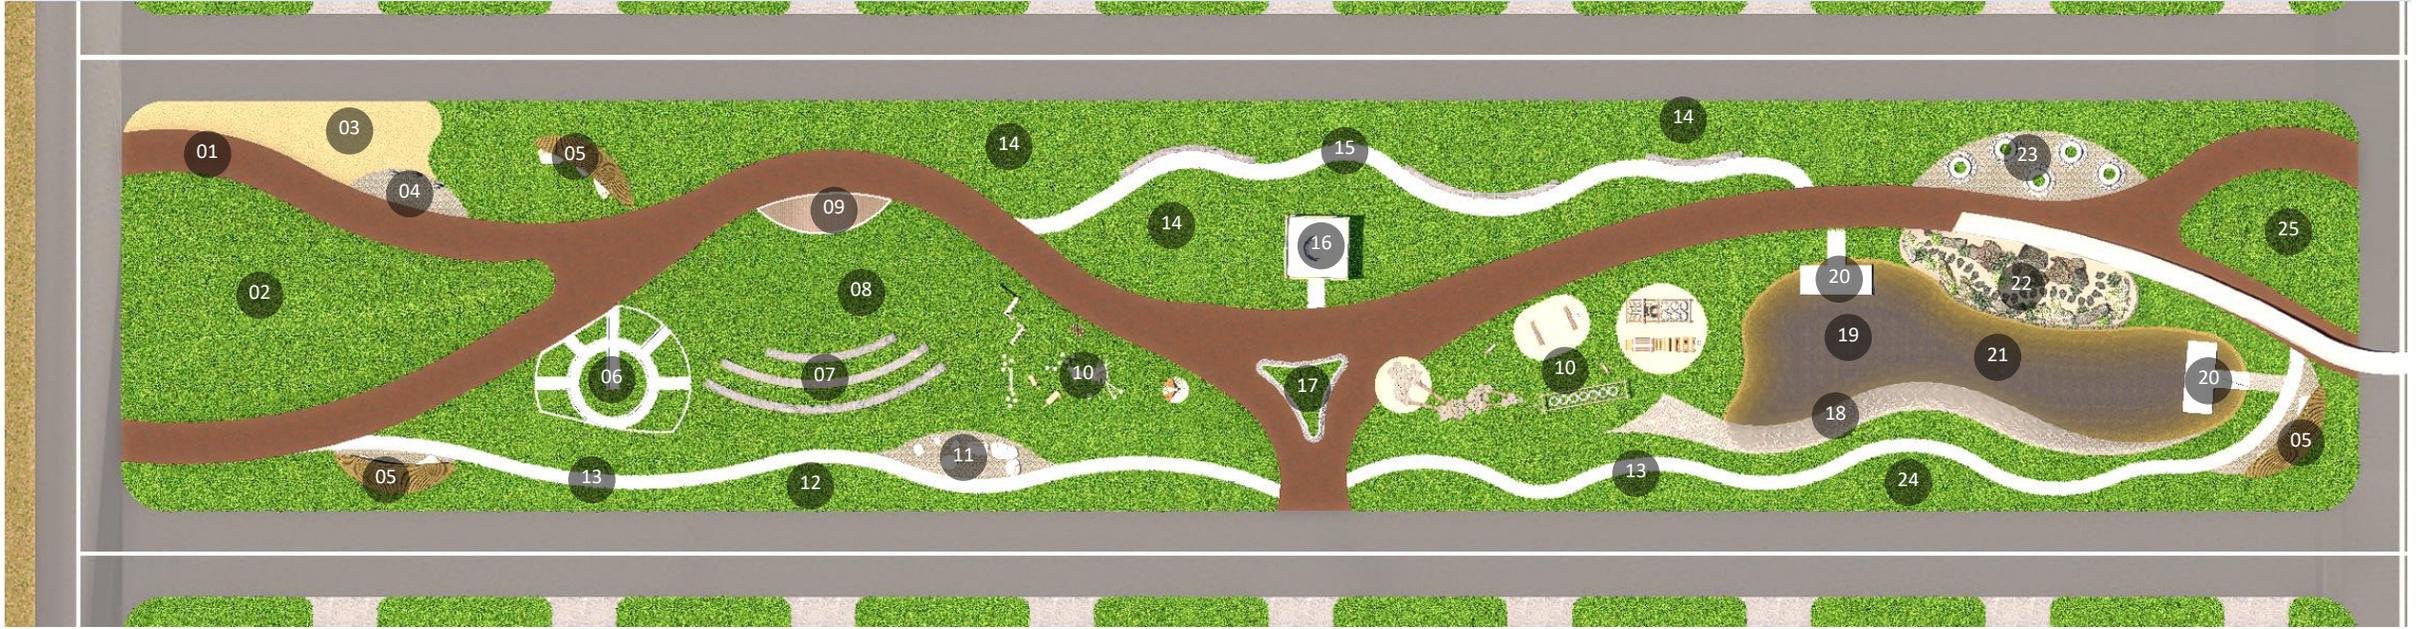

# SUSTAINABILITY

The photograph shows a pond in a garden with a cross-section diagram illustrating the soil layers. The layers are:

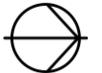

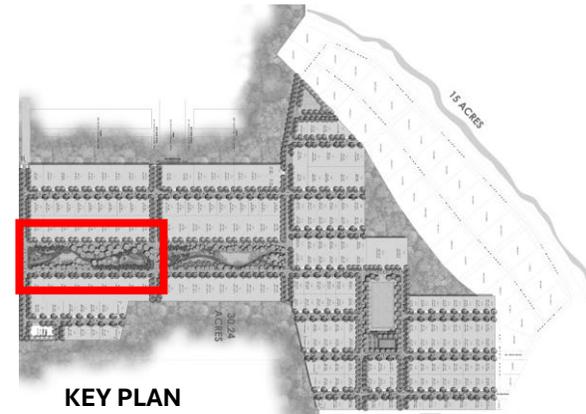

- 80cm 1m fine sand
- 100cm sandy
- 10cm
- 30cm 100 200m
- coarse gravel
- 5cm
- 100cm sandy
- 10cm
